AutoVitals + pronto® Auto Service Center

PRONTO'S EXCLUSIVE DIGITAL VEHICLE INSPECTION AND WORKFLOW PARTNER

Feature Solution: SMARTFLOW.X with DVI.X

Industry Leading Digital Vehicle Inspections, Workflow Software and Messaging by AutoVitals

Driving profitable growth and shop efficiency taking shops from chaos to control:

- 20-50% ARO increase from digital vehicle inspections
- Workflow software that includes Tech Dispatching and labor Inventory Management
- Increase customer retention and satisfaction with Automated Texting, Appointment & Campaign Manager
- Data insights and analytics through Business Control Panel
- Seamless integrations with over 25+ leading POS

"AutoVitals has been a great investment for our shop. Higher ARO and productivity. And our staff and our customers love it. Now that AutoVitals is fully integrated with my shop management system, we have also access to the market's best digital vehicle inspection, workflow and other modern digital tools."

TOM BRAUN, OWNER
TUFFY TIRE & AUTO SERVICE CENTER
CLINTON TOWNSHIP, MI

The AutoVitals suite of Shop Success Solutions includes **DVI.X, workflow. digital payments, CRM, rewards programs, ratings and reviews, a modern website, and digital marketing** all seamlessly integrated into a shop's Point of Sale.

AutoVitals' Business Control Panel ties all of these solutions together by providing the insights and analysis needed to make key decisions about your business.

Increase ARO by 25-50%

Expand Shop Capacity by 15-20%

Grow Web Appointments 30-60%
