OVER THE ROAD

EXCLUSIVE PARTS PLUS CAR CARE CENTER OFFER

For new subscribers to **BOLT ON TECHNOLOGY**, we will offset your second month's subscription for any service package on the next page.

For more information, call 610-880-3711 or visit BOLTontechnology.com

Choose your award-winning service. The second month is on us.

Sign up for any new **BOLT ON TECHNOLOGY** subscription package today and get the second month on us.

Whether you sign up for BOLT ON's 100% real-time, two-way integrated digital vehicle inspection tool, our latest NextGear DVI tool that can be accessed from any smartphone or tablet, or any of the other customer and business solutions below, we will pay for your second month.

MOBILE MANAGER PRO **SERVICE MANAGEMENT MADE MOBILE**

From start to finish, you have control from the tablet. Write up customers, send digital vehicle inspections and communicate via text. It's a complete, paperless process.

NEXTGEAR

ANY SHOP, ANYWHERE

Any shop can tap into all the advanced functionality of BOLT ON's digital vehicle inspection, customer communication and payment tools using most internet-enabled smartphones and tablets.

PRO PACK

THE SERVICE PROCESS FIXED

Automatically set future appointments and recommendations with a single click. Communicate with customers using text—no more phone tag. Build your shop's brand, advertise on invoices and measure your growth.

REVIEW MANAGER

INSTANT TRUST IN YOUR SHOP

It's as easy as turning on a button and getting the fastest reviews and best Google rankings possible.

WELCOME STATION KIOSK

SELF CHECK-IN

Customers can check themselves in, give you all of their up-to-date information, and upsell themselves on featured and seasonal services and recommendations.

PRO CALL

COMPLETE CUSTOMER PROFILES

Know each customer's information before picking up the phone, so you can greet them by name and create a more personalized experience.

OVER THE ROAD

MANAGE YOUR SHOP REMOTELY

Inspect and service vehicles and send estimates while on location with all the data going back to your shop in real-time. Access repair information anywhere while Over The Road.
